

Summerhill School

Love & Wisdom

**ENGLISH AREA
GRADE 5th
LEVEL 4**

Dear parents and students, cordially we invite you to take a look at the following information that is intended to reinforce different skills of the English language.

Activity focused on: (WRITING)

Link: <http://learnenglishteens.britishcouncil.org/skills/writing-skills-practice/invitation-party>

Description of the activity: The students will look to an invitation party model and then, they have to make an invitation party of their own. Then they have to answer six multiple selection questions about the reading and also they have to complete some activities like filling in the gaps, write and match sentences.

Activity focused on: (READING)

Link: <http://learnenglishteens.britishcouncil.org/skills/reading-skills-practice/tips-being-super-organised-student>

Description of the activity: the students will read a text about “Tips for being a super-organised student” after that they have to check their reading comprehension solving some activities like filling in the gaps and also true or false activity, finally they can add a comment or tip for being a organized-student.

Also the students can visit this link <http://www.ereadingworksheets.com/free-reading-worksheets/reading-comprehension-worksheets/> in which they can practice reading skill.

Activity focused on: (SPEAKING)

Link: <http://learnenglishkids.britishcouncil.org/en/>

Description of the activity: the students will have the opportunity to practice this skill by doing different activities which will help them to improve their level. They can go to the link about *speaking* and *spell* to develop the activities proposed.

Activity focused on (LISTENING)

Link: <http://www.dictationonline.com/>

Description of the activity: the students will listen to different dictations which are organized by levels and topics according to their ages which are showed in three stages, first it's given the whole passage, then it is word by word, then the whole passage again slower. At the end it is repeated, the objective is that the students don't look at the text in the screen and they try to write it the most accurate possible.

Kindly, your English teachers.
