

# ACTIVITIES 2021

Foreing language Project  
secondary

## Activities

### Readholic hour

children explore reading and learn vocabulary as well as work on grammar.

## 2 Activities

### Spelling bee

It is a Contest in which grammar and spelling skills are developed with different didactics and strategies, a winner is chosen per grade.

## Activity

### Language fair

Working on four communication skills that are developed in English through empirical, playful, and interactive activities

# CRAZY SENSE

Explore the senses through empirical, playful and interactive activities in which students can be in a practical and meaningful environment.

Students presented each sport in a stand they gave out souvenirs and main information about that sport
